NYacad, Inc. is dedicated to providing reliable **structural and miscellaneous steel detailing, structural design and drafting** service for our clients. We produce professional looking [shop drawings](#). As part of the standard detailing package **NYacad** provides our customers with [reports](#) needed for fabrication.

Typical set of documents included in steel detailing package:

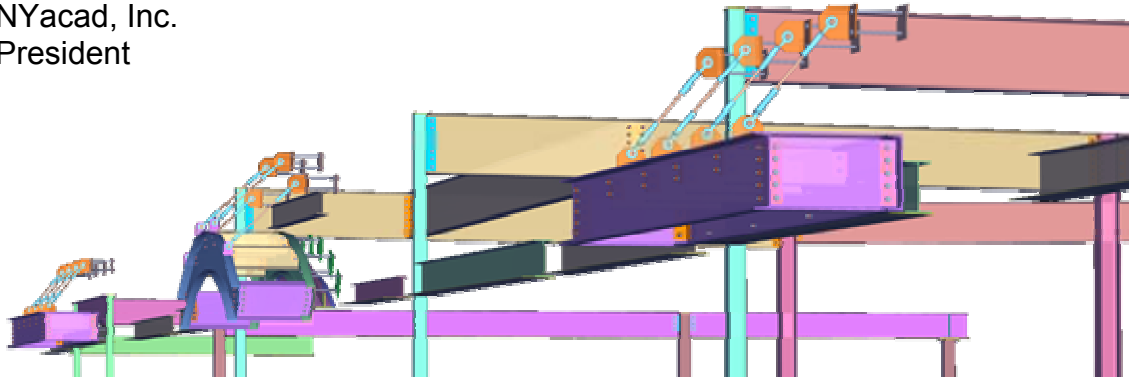

- Erection documents (plans, elevations and anchor bolt setting plans)
- Drawings of piece details
- Complete stairs detailing: stringers, rails, gage material schedules
- Gather sheets (accessories)
- Reports: cutting lists, steel summary, submaterials, bolts (shop, field, total) and others.

Additional information, drawings and reports-samples of our work can be viewed on-line. Web link: <http://www.nyacad.com/SS07Drawings.htm>

We look forward to an opportunity to provide our service to your company.
